

# The Curriculum at Clear Lake Child Care

Clear Lake Child Care curriculum goals ensure that every child is supported in learning, that teachers will understand and embrace comprehensively educating children, and that parents and teachers will work cooperatively to make sure it all comes together.

Our view of the curriculum is comprehensive and encompassing all aspects of growing and learning. It embraces the inter-relationship among teachers' planning, the child's interest and response, child development, the child's family context, culture, and the reactions and interactions of the adults and other children. CLCC implements research-based assessments and frog street curriculum along with Spanish and Sign language daily. When young minds are stimulated through a learning environment, a child can reach his/her maximum learning potential.

## **CLCC uses Frog Street Pre-K to celebrate the joy of learning!**

Frog Street Pre-K (FSPK) is a high quality, research-based curriculum organized into ten skills domains that support integration of curriculum and builds connections between and among all disciplines. The authorship team of FSPK brings a wealth of expertise in the field of early childhood classroom experience, social and emotional intelligence, brain development, literacy, second language learning, STEM practices and cultural sensitivity to the instruction and materials in the curriculum.

Frog Street Pre-K is a comprehensive, research-based program that integrates instruction across developmental domains and early learning disciplines. The program is engaging for both teachers and children and is easy to implement! The cornerstones of the program include:

- An extensive integration of theme, disciplines, and domains
- Social and Emotional development includes Dr. Becky Bailey's Conscious Discipline ®
- Differentiated instruction
- Equity of English and Spanish materials and instruction
- Joyful approach to learning

Below we have included links to our Weekly Lesson Plan, Family Connections, eStories, and Learning Goals!
